SUMMARY OF THE REASONS FOR DECISION:

The publication entitled *Facade* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The publication is a video recording and is a version of DVD of the same title classified by the Office of Film and Literature Classification as objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years, with the descriptive note 'Contains explicit sex scenes.' This decision was registered on 6th November 2001.

The video recording contains the feature and components not present in the DVD, namely three notices and eight trailers for sexually explicit publications. However, these additional components do not affect the classification given to the video recording.
